

a **second growth forest** is one that has re-grown after being clear-cut.

The exhibition of locally salvaged wood and sustainable furniture by Pasadena based furniture designer/ maker William Stranger is intended to plant seeds that will mature as a second growth for human culture.

**opening reception**  
3 to 5pm  
Sunday September 28th

Admission \$5

PMCA  
490 East Union Street  
Pasadena, CA 91101  
626-568-3665
